MAO KIMSANN

Frontend & Backend Dev

kimsannmao025@gmail.com 0973078937 Street 217

03 04 2000 Male

I am an fresh developer from Western University (Stueng Mean Chey)
I have been learn Basic programing like C++, PHP, Laravel, C#. And I also join a short course with SalaIT. At SalaIT I learnt Javascript, Express, Tailwindcss, and now Learning about React with Typescript and Shadcn.

I am sure that i will be a value candidate. I am commit to learn and bring the value to the company as much as company give salary to me.

Regarding of learning above now i able to build website with Laravel , and Javascript Framework.

View My Portfolio
